

Advent, Christmas & Epiphany

with West Concord Union Church

When was the last time you felt hopeful, or acted out of hope even if you didn't feel it yet? The season of Advent is a season of preparation. But unlike Lent, this preparation isn't (mostly) about repentance. Instead, it's about cultivating the capacity to imagine, anticipate, and participate in God's good news as it manifests here on earth. I pray that you will seek out experiences and practices that help you hope, dream, await, expect, and become part of the emergence of righteousness, peace, and joy among us. – Pastor Hannah
